

Company Overview

All Jersey

Your Single Source for Construction and Maintenance Projects

All Jersey offers a full-service portfolio of construction, maintenance, electrical and plumbing services for commercial and retail facilities. Our expert, licensed professionals have the knowledge necessary to address any challenge that may arise with your business. As a single-source service provider, All Jersey can respond to your needs immediately with in-house services and equipment — no need to wait for projects to be outsourced.

All Jersey specializes in retail and grocery remodels and renovations. Our management and supervisory team, through quality control and team functionality, are committed to your goals and maintenance concerns. We pride ourselves on the relationships that we build with our customers. Each client has a dedicated project manager, giving customers a single point of contact for all services.

Only All Jersey is able to meet all commercial and retail construction and maintenance needs. The three divisions of the company — mechanical and construction, electrical and plumbing — integrate to ensure comprehensive solutions to any problem. Whether for planned projects or emergency repairs, All Jersey has in-house services and equipment to quickly and confidently meet your needs.

WHAT SETS US APART

At All Jersey, we take pride in four distinct elements that set us apart from the competition. We are:

Client-centered. We are your partner, committed to quickly meeting your needs.

Analytical. Proactive problem-solving helps address any issues that may arise.

Reliable. We are available all day, every day, because maintenance issues can occur at any time.

Accessible. Your dedicated project manager is a partner in your business.

OUR EXTENSIVE EXPERIENCE

Our team has experience in construction and maintenance for commercial, retail and industrial facilities. Our success is built upon:

Industry Expertise. Our staff, including licensed professionals, provides the understanding and knowledge to address any maintenance or construction challenge.

Commitment. Your problem is our priority. As your construction and maintenance partner, All Jersey is available to help twenty-four hours a day, seven days a week.

Resources. Our warehouse and equipment are self-owned, ready for immediate response to your needs. Our core ability to self perform our work ensures personalized management of your project with a single point of contact.

ABOUT ALL JERSEY

Founded in 1994, All Jersey is a comprehensive provider of construction, maintenance, electrical and plumbing services. All Jersey is proud of its reputation for broad experience and dedicated customer relationships. The company specializes in East Coast commercial and retail clients, functioning as an extension of corporate maintenance and construction teams.
